

# Solutions for Industry

Our filters and separators offer the highest clarity, performance and cost effectiveness of any available on the market today.

## THE REGEN

### Regenerative Media Filter

Very Fine Filtration - Dry Sludge Discharge  
Oil or Water Based Fluids  
Grinding - HSS - Carbide - Silicon - Centerless  
Water- Industrial - Commercial Pool - Potable

## FILTRATION SYSTEMS

### Complete Filter Systems

Filters - Sludge Receivers - Tanks - Pumps  
Controls - Clean Supply & Return Systems  
Pump-Back Returns- HMI & Data Logging  
Electrical Controls - Temperature Control

## THE FATBOY

### Trapp Oil Separators

Removal of oils from aqueous solutions  
Manual & Automatics Units  
Superior Performance - Automatic Cleaning

## FLEX-TUBES

### Replacement Filter Tubes

Coopermatics - Chem-San  
CSI - Defender - Filtrix

## AQUA-VAC

### Vacuum Media Filter

Self-Contained Automatic Systems  
Machine Tool Coolant Filters  
Machining - Grinding

## PUMPING SYSTEMS

VFD Control Packages  
Variable Frequency Drive Packages  
for Clean Pumps & Filter Pumps  
Dirty Pump-Back Returns

## BAG FILTER SYSTEMS

Custom Filter Solutions  
Single & Duplexed Multi-Bag  
Skid Mounted Systems

## BIODIESEL FILTER SYSTEMS

Cold Flow Solutions  
Proven Performance to Exceed ASTM - EN  
Dry Sludge Discharge - Extended Filter Cycles
